

SAMPLE

Training Props

- These training props are provided as examples of props used by local fire departments to deliver hands-on training.

PART II

DIVISION OF TRAINING

The training materials and props presented in this program have been gathered from a variety of sources. If your fire department is not included in this material and you would like it to be, submit your pictures or power point presentation for the next edition.

The logo for the Fishers Fire Department is displayed on a white background. The word "Fishers" is written in a black, cursive script font. Below it, the word "FIRE" is written in large, bold, red capital letters with a black outline. To the right of "FIRE", the word "Department" is written in a smaller, black, cursive script font.
